

**PARTS INCLUDED**

1. (1) TABLE TOP
2. (2) TABLE LEG
3. (2) TABLE BRACE

**ASSEMBLY INSTRUCTIONS**

1. Place all parts on a non-abrasive surface.
2. Place table legs upside-down, with the wide plate at the bottom.
3. Align both braces with the openings in the plate.
4. Hand-tighten all four Allen bolts to fasten the brace to the leg.
5. Repeat steps 3 & 4 for the other leg.
6. Tighten all the bolts with the Allen wrench to a snug fit.
7. If using the provided leveling feet, screw into the threaded holes before turning the base upright.
8. Gently turn the table base upright with the assistance of two or more people, and position in the location you wish the table to be in when fully assembled.
9. Position the table top onto the base so the threaded holes on the underside of the top align with the holes in the plates on both legs.
10. Hand-tighten all 16 Allen bolts to fasten the top to the base.
11. Tighten all the bolts with the Allen wrench to a snug fit.
